

February 9, 2010 Job Posting Position:

**Title: Web Developer/Designer**

FSC Marketing Communications is seeking applicants for the position of Web Developer/Designer. This person will collaborate with the creative and account team members to build a wide range of websites for our clients and contribute to the agency's new business development program. The web developer will also be responsible for other technical issues that involve web hosting, web server configuration and others items pertaining to back-end needs. The ideal candidate for this position should have a minimum of 2-3 years of web development/design experience.

This position requires the ability to lead projects and self-manage client deadlines, ensuring that all tasks are completed on time and on budget. Candidates must be able to present and communicate effectively, solve problems, work as part of a team, and demonstrate proven success in the development of websites and technical project management. Flash animation experience is a plus.

Essential Duties and Responsibilities:

- Develop and maintain websites for a variety of agency clients
- Collaborate with account and creative team leads on site architecture development and front-end design of client websites
- Work with the Creative Director to bring new ideas to web-based projects
- Work as the developer project lead, directing and supervising freelancers and/or interns as needed
- Assist in the ongoing development and maintenance of FSC's website ([www.fscmc.com](http://www.fscmc.com))

Qualifications:

- Minimum 2-3 years of web development experience preferred
- Bachelor's degree in related field
- Advanced knowledge of and experience working in HTML, CSS, JavaScript/jQuery, ASP.net, PHP, MySQL, C-Panel, and usability and interface design
- Experience using Photoshop, Illustrator and Flash

To Apply:

Interested candidates should send their website portfolio link and resumes to Bryan Brunsell, Director of Creative & Interactive Services ([bbrunsell@fscmc.com](mailto:bbrunsell@fscmc.com)).
